<b>Executive Director</b>	Frank Minice
<b>Mission</b>	The mission of Nlets is to serve national and international law enforcement and public safety communities every day. We are the premier provider of secure information services that enable a totally standardized and integrated system, which allows for the secure exchange of law enforcement, criminal justice, and public safety-related information nationwide and internationally.
<b>Vision</b>	Nlets' vision is to continue to be the premier provider of the network, system and services that will support and encourage a totally standardized, integrated, international justice system. Acting primarily as a network provider and, to the degree required, a data warehouse, Nlets will endeavor to serve every stratum of the justice and public safety communities.
